PRESIDENTS' WELCOME

On Behalf of the Central PTO, we are delighted to welcome you to our biennial silent auction event, Starry Nights in November. We hope you will enjoy a night filled with Belgian street food, drinks, socializing and a lot of bidding! Proceeds from tonight's event will be used to help fund all PTO-sponsored programs.

Two of the main objectives of the Central PTO are to provide academic, cultural and recreational opportunities for our students AND to build a sense of community among parents, teachers and staff. Tonight, through this wonderful event, we are able to fulfill both.

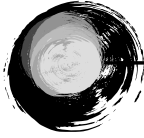

The original parent group at Central, the Art League, was founded in 1893 to inspire the love of art in children. Over the last century, the PTO has significantly broadened in size and scope. While we have remained true to our roots through our remarkable Cultural Arts and Artist in Residence Programs, we have also expanded into providing many academic and social opportunities as well.

Today, we have over 50 PTO Committees! We strive to enrich our children's educational experiences through our multitude of programming, including the Science Fair, Multicultural Heritage Festival, Skating Parties and the Talent Show just to name a few. The PTO has not only funded these programs, but has also donated other items beneficial to the Central School community including the current playground, artwork, recess and gym equipment, landscaping, science and music materials, memorials, and hundreds of books for the Central Library.

All of our programs, including tonight's event would not be possible without the generous support of our Central community and the dedication of our volunteers. We are deeply grateful for the continued support of our Principal, Dr. Janice Limperis, and all of the Central School teachers and staff. We would like to extend a special thank you to our Art Teacher, Ms. Jean Mathis. Under her vision and guidance, our children have created very special pieces of art to be auctioned off tonight.

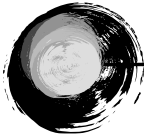

Last, but certainly not least, thank you so much for your participation in tonight's event. And, thank you for your continued support of the PTO! Have a wonderful time at the auction!

Sincerely,
Lynda Murphy and Amy Jacksic
Co-Presidents, Central PTO
